

Buddies LOVE adventures!
So be sure to take your Buddy
with you when you go
somewhere new.
They love going for walks and
seeing new things. You can
chat to them about what you
can see in the town, or sit
together in the park & chat.
See how many fruit trees &
bushes you can find - or count
the different types of fruit you
can find in the shops.
Your Buddy loves being with
you.

SPECIAL BUDDY

Just like us Buddies are different
shapes, colours and sizes.
Each Buddy is special,
just like you.
God made you to be the special
person you are - your laugh,
your skills, your voice.
Everything about you is unique
and God loves you
just the way you are.
Every time you look at your
Buddy remember how special
you are.

BUDDY CARE GUIDE

Children & Families

WHEN YOU GET YOUR BUDDY HOME

When you get home with your Buddy one of the first things to do is introduce them to **EVERYONE** in your house - especially any furry friends you have. Buddies are super friendly creatures & always like to say hello :)

LOVE YOUR BUDDY

Fruit is good for us - cuddles are good for Buddies!
Buddies are made for love. You can show your buddy you love them by chatting with them each day - they are very good listeners.
They love to chat with Jesus too, so together you can chat with Jesus about what you've been doing & how you're feeling, anything at all!

FEED YOUR BUDDY

Feeding your Buddy is the most important thing.

Unlike us your buddy doesn't eat food, Buddies get strong by reading the Bible with you. Don't worry if reading is a little tricky for you, use our Bible pack and read with someone in your home.

After you have read together you can draw a picture or write about your what that passage made you think or how it made you feel.
